

Liverpool Boys High School Newsletter

This is our final newsletter for the scholastic year.

In Week 6 Term 4 our students move up a grade.

That means our students move up a grade during Term 4 2018 rather than the beginning of 2019.

The current Year 7s → are now Year 8

The current Year 8s → are now Year 9

The current Year 9s → are now Year 10

The current Year 10s → are now College 1

The current College 1 → are now College 2

BYOD – Bring your own device

From NOW – BYOD is compulsory for year 8 to College 2. A device is a small laptop, tablet or chromebook – not a phone! Every student from Year 8 to College 2 is required to bring a device to school every day.

For more information go to our website: liverpoolb-h.schools.nsw.gov.au

Check out our website!

We have NEWS, PHOTOS in the GALLERY and New links that are updated all the time.

Just to name a few:

- Billy Carts in Mathematics
- What has been happening in Applied Mathematics
- RUOK Day
- College 2 Games Day
- Multicultural Day

Mrs Kelly –

Student Engagement Report

Drum Group

We have commenced a new drum group with STARTTs. Boys from Year 8 and Year 9 have been enjoying working with Martin and Claire from STARTTs. Lately they have been using some backing music and percussion instruments along with the Arabic drums to produce some fantastic beats. The boys are working towards a performance for the school. Participating in the drum group promotes creative self-expression, healthy social interactions and connectivity. This creates opportunities for students to demonstrate their growth in the General Capabilities with particular emphasis on collaboration and communication; practical and organisation skill and creativity. Watch this space for news on upcoming performance.

Figure 2 - Mrs Kelly

Maths Support Programs

Ms Carzo, in Learning Support, has been running some great Maths support groups using the Elementary Maths Program with some students in Year 9 and 10. Students are assessed for progress at regular intervals and the feedback has been all positive. This program is allowing students to access intensive support for some areas in maths where they had fallen behind. The boys have been very enthusiastic and have realised themselves how helpful the program has been. For the Year 10 boys, this will be a great help as they enter their HSC Mathematics subjects.

Reading Programs

This year the Learning Support Team trialed a new reading engagement program called Renaissance. Mrs Kelly and Ms Page supported reading in Big Picture, a target group in Year 8 and Year 10. The feedback from staff and students was great, with boys selected boys and reading several during the term. A survey on reading habits demonstrated that boys were well engaged with reading novels, some for the first time in a long time. Some boys heard about the program and even self-referred and the great news is that we will be rolling out the program across Year 7 and 8 next year.

Student Engagement Programs

Last week five Year 10 students and one College 1 student attended their Orientation for Summer School at UTS. Boys have chosen focus areas in Engineering and IT; Business; Design and Media. During January, the boys will attend a two week Summer School camp that will finish with exhibition and graduation for families and friends to attend. The boys will now have their foot in the door with the University and will be included in other programs over the next two year. Well done to Jareef Ahmed, David Phan, Jamiel Yasin, William Jong, Yasir Jabbar and Ramsn Elias who attended the day.

Figure 3 - UTS Summer School Orientation

We also have two students in Year 10 involved in a work experience program with WorkVentures; several students completed some training with Headspace and MTC Australia with the Rock and Water Program and our current Links to Learning students will graduate this week.

Earlier this term we had some boys attend Children's Day at Liverpool Hospital to entertain some of the sick kids in the Children's Ward. Thanks to Billy, Cephass and Paul T who did a great job performing to the children and staff at Liverpool Hospital.

Figure 4 - Paul Tupou singing at the Liverpool Hospital Children's Day

Mrs Tucker and Mrs Monaghan have struck a deal with Hoxton Industries with a great Return and Earn program that will be rolled out by College 1 students in 2019. A focus group of students will assist the rest of the school to be responsible for recycling items that will earn money that will go towards the College 2 fundraising for their Picnic and Formal costs.

Figure 5 - Hoxton Industries representatives with College 2 students for Return and Earn

Wellbeing Team

The Big Day Out went well this term with students attending Rock Climbing at Villawood, Wet & Wild, and Luna Park. This day is a celebration of the end of the academic year for students and staff. Formal acknowledgement assemblies were also held during the week. It was great to see so many students across Years 7-10 receive certificates for 100% attendance, Academic awards, Volunteering, Civics and Citizenship and more. All these awards count towards students gaining their Bronze, Silver and Gold Medallions.

School Leadership at LBHS is being revamped currently and soon we will launch the new framework to students. Mr Wallis is taking over this new role. We would like to take this opportunity thank Ms Page who has been steering school leadership with the SRC for several years at LBHS.

We were also happy to have some of our boys participate in the production of a video to promote Stop Domestic Violence, this will be seen on social media platforms during the week of White Ribbon Day. The boys were filmed with Liverpool Police and other community workers including the Knafeh Baker boys. There will be an evening event held in the Bigge Park on Friday 7th December for Stop Domestic Violence and White Ribbon events will be held on Friday 23rd November.

Community Report

Centenary of Armistice Project collaborations

Armistice Mural Wall

Liverpool Boys High School collaborated with Liverpool council, Liverpool Plaza and artist Cameron Wall to create a mural commemorating the Centenary of Armistice. Our students did a fantastic job working on the mural over 3 nights 1st- 3rd Nov.

Many of the students hadn't used spray paint or worked on a canvas this big. The mural turned out fantastic and has received lots of praise from the Liverpool community.

Liverpool Champion also wrote up a great article on the project, which can be seen here... <https://www.liverpoolchampion.com.au/story/5740210/war-tribute-touches-youth/>

If you would like to see the mural it is still on display outside Liverpool Plaza, Macquarie Street Liverpool.

Figure 7 - Ms Khoury, Ms Stanton, Ms Hormis

Figure 8 - The mural in Liverpool Plaza

Digital Installations 'Visions of Peace'

Liverpool Boys High School students also worked with Esem Projects and Liverpool council to create digital installations called 'Visions of Peace'. These installations can be referred to as "vivid with heart". Our students from years 7 - 12 worked to create pieces that represented peace and were then recorded by Esem. These installations were then posted on building across Macquarie Street Liverpool every night between 1st Nov and 11th Nov. These installations also included images and videos from members of the community who were affected by WW1, many sharing their stories and history to commemorate their loved ones. This was an amazing opportunity for students and we can't wait to do something just as creative next year with Liverpool City Council!

Figure 9 - One of the Visions of Peace videos

Figure 10- The boys working on their Visions of Peace before they were recorded

Figure 11 - One of the Visions of Peace Installations

Figure 12 - Some of our boys who worked on the Visions of Peace project

Term 4 School Exhibition and Presentation Day

Last Tuesday, 13th November, we held our School Exhibition and Presentation Day. We had a great turnout from community members, parents and businesses. We had projects on display in the quad, fantastic music performances and interesting Big Picture presentations.

We also had about 50 students receive awards, which is great! We love to see student achievements.

Thank you to all those who did attend, we appreciate every bit of support we receive!

Figure 13 - Whole School Exhibition in the Quad

Mr Williams - 2018 Year 7 Advisor Report

Figure 15 - Mr Williams

Congratulations Year 7 for getting through your first year of high school. It took some time for you to adjust to high school life as you may have dropped the ball a few times but you definitely knocked it out of the park in the end. You completed many projects within year 7 so you should be used to Project Based Learning and the work that is involved. Keep being creative, collaborative and reflective!

You are in Year 8 now with different subjects and different teachers. Don't forget all the procedures you were taught in year 7 and make sure you keep up the good behaviour. Ask your teachers for help and make sure you keep talking to your parents about your assessments and activities. Parents please do not hesitate to contact me, regularly look at the school's Facebook and website page for news. Your involvement in you son's education will ensure his success and engagement for the future.

Christopher Williams

How to access Year 7 Reports Online

Year 7 Reports are viewed online not printed. This will be the same when Year 7 go into Year 8.

The software is called *Review*.

Review is a new assessment and reporting program that we are piloting at Liverpool Boys High School in conjunction with the University of Technology, Sydney.

Our students know how to access these reports.

1. Ask your son to login this website using their school email address (username@education.nsw.gov.au) and password

bit.ly/lbhsreview

2. Sit with your son, read the report and discuss it together.

Figure 16 - The Review login page

Ms Huynh – 2018 Year 8 Advisor Report

This is a reminder that your son of **Year 8** will be moving on into Year 9 as of **Monday 19th November 2018**. This is an exciting time for Year 9 as they will start electives! Students will take on two electives per semester and students will then change to new electives half way through the academic year. On the 19th November your son will be issued with a new timetable.

He will need:

- 6 Exercise Books: Project A, Project B, Elective 1, Elective 2, Elective 3, Elective 4.
- Equipment needed for class: pens, ruler, pencils, eraser and calculator.
- A personal laptop is a compulsory piece of equipment for ALL classes as part of BYOD

Figure 17 - Ms Huynh

If you have any questions, please contact the school on (02) 9602 7979.

Ms Christine Huynh

Ms Devi – 2018 Year 9 Advisor Report

Figure 18 - Ms Devi

Another successful year draws to a close. It is amazing to see how much has been achieved by the students in Year 9 and staff of LBHS. The achievements extend from academic to sporting. We have achieved so much because we work as a team and this is one of the greatest strengths of our school. I would like to take this opportunity to thank all staff for their hard work this year with Year 9's. I would also like to thank all parents and carers for their support this academic year. A great deal of what we do in school cannot be achieved without you and your co-operation and backing. Many thanks and we look forward to working more closely with you from 19th of November again. Finally, I would like

to wish all Year 9's who are joining us at the start of our new academic year all the very best on their journey into Year 10.

A.Devi

Mrs Tucker – 2018 Year 10 Advisor Report

Figure 21 - Mrs Tucker

From the beach to Luna Park
From fast and furious to a wonderful world
From kites to rockets
From the doctor to the healthy minds
From smoothies to weights
From the cold war to creative writes
From games to I made it
From colour my world to cooking up a storm
From the big bang to the fields of dreams
From TFP to BP
From hello to goodbye
From the blue shirt to the white
It's been fun, now bring on the next stage.

Yasir Jabbar attended Sydney City Council today and spoke to Mr Richard Braddish (old LBHS student from the 70's) in the model room.

This room has scale models for every building, structure as well as vegetation for the whole of the CBD.

Thank you Richard for your time today.

Ms Hallal– 2018 College 1 Advisor Report

As you are well aware, 2019 is perhaps the most important year of schooling for your son. The upcoming terms will be challenging and rewarding at the same time, as you and your son make important decisions that will determine future career paths and study. We plan on making it a memorable experience for your son, as he completes his final year of schooling.

As the year 12 Advisor, I look forward to another exciting year ahead and I hope to make it as memorable as possible. Please find below a list of events that will be happening over the New Year. More details regarding costing and dates will be sent out as we approach each term.

Figure 22- Ms Hallal

- Chocolate Drive Fundraiser (ongoing)
- Swimming Carnival BBQ fundraiser (Term 4, 2018)
- Athletics Carnival BBQ fundraiser
- Photo Day (Term 1)
- End of Term excursions (Term 1, 2019 & Term 2, 2019)
- Disco fundraiser (Term 2 or 3)
- Careers Expo
- Bunnings Fundraisers
- Various school Fundraisers
- Year Book
- Graduation (Term 3)
- Surprise Big Day Out (Term 3)
- Formal

Permission notes and invitations for all events will be sent home closer to the events. All activities and events are subject to the payment of school fees. Should you have any enquiries, please do not hesitate to contact me on 9602 7979 or, alternatively, by email: sarah.hallal1@det.nsw.edu.au

Kindest Regards,

Ms Sarah Hallal

Ms Wilson – 2018 College 2 Advisor Report

Congratulations on Graduating College 2!

HSC exams are officially over, and there is now the Formal to look forward to at Darling Harbour, Thursday night, week 6.

They deserve to celebrate. It has been such a big year with their final year of high school. They've had to face the challenges of completing assessment tasks and exams, one after another. There are many social and fundraising events to support everyone being able to participate in it all. We had a fantastic picnic day in week 10 last term to celebrate the end of classes, and the teachers played a nice prank on College 2. Ask them about where the bus first stopped if you want to find out.

Figure 23 - Ms Wilson

The 2018 Graduation night was a beautiful celebration for everyone with their family and friends, with many students receiving extra acknowledgment for their great successes. Congratulations to Andy Thai for receiving the inaugural Frank Mosca Award for Outstanding Achievement. Andy received \$500 in acknowledgement of his dedication and journey through secondary education at Liverpool Boys High School. We are very grateful to Frank- an ex student of LBHS-for his commitment to this award over the next 5 years. It has been a great honour to be Year Advisor to the class of 2018. They have been a remarkable group of young men and I wish them all success in their future lives.

Jane Wilson

Movember

Every Movember our community of Mo Bros and Mo Sistas are doing what they do best. Growing Mo's.

This event is focused on men's health issues and those affected by it. This includes EVERYONE! Everyone has either a friend, father, brother, son or peer who will at one point be affected by various health issues in their lives. We need to come together to raise awareness and funds to support the research of particular issues such as testicular cancer, prostate cancer and suicide.

Scary Statistics:

- On average 2500 people in Australia commit suicide per year, 2000 of those are males.
- For every 2000 males who commit suicide, 60000 men attempt suicide each year.

Please support our LBHS MO BROS!
